

Small body, big compatibility

# Dissipation EC144B Business Computer Case

COMPUTER CASE

✓ mesh panel ✓ panoramic side panels ✓ exquisite aluminium label

## Classic and simple with full texture

Delicate mesh heat dissipation panel, transparent & cool

## Simple More Than Simple

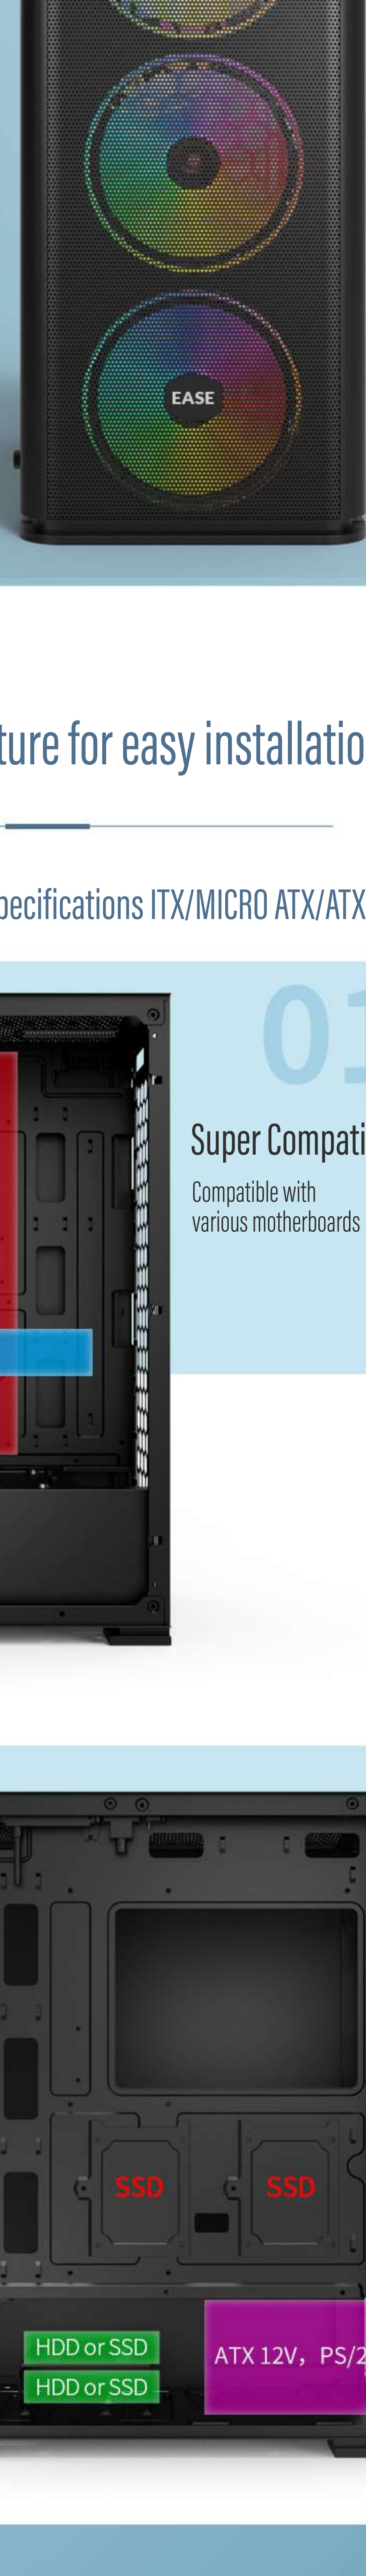

The beauty of confidence comes from detail quality control

Fine mesh

Transparent & Cool

## All round architecture for easy installation

Support motherboard specifications ITX/MICRO ATX/ATX

01

Super Compatible

Compatible with various motherboards

02

Hard Disk Device

HDD\*2+SSD\*2 OR SSD\*4

## Absorption type dust proof net top mounted portable function area

Dust-proof and heat-dissipating integrated to achieve the best

## Product Parameter

Model: EC144B

Hardware device: HDD\*2+SSD\*2 or SSD\*4

PowerSupply: ATX standard powersupply

Motherboard Specifications: ITX/Micro ATX/ATX

Hardware material: SPCC 0.6MM

Hardware size: 350\*226\*467mm

Support radiator height: 178MM

Product Size: 386\*226\*480mm

Supported graphics card length: 340MM

Packing size: 540\*285\*452mm

Cooling device: front panel: 240/280/360 radiator or 3 20CM or 3 14CM or 3 12CM fans

Above: 240/280 radiator or 2 14CM or 2 12CM fans

Back panel: 1 120/140 radiator or 1 14CM or 1 12CM fans
